

CHAMBER MUSIC COACHING RECORD

Chamber ensembles which have been given prior approval by the Dean are expected to receive **10 hours** of coaching in order for the students to receive **1.0 credit**. Ensemble coaches must keep a record log, using a separate form for each group. These logs must then be submitted to the Registrar following completion of the ten hours of coaching. Payroll adjustments resulting from chamber ensemble coachings will be initiated by the Registrar following submission of this signed form.
